Sir

Dear Sir

I have the honor to submit the reports of A. B. Westfield resident Physician at the Grand Ronde Coast Indian Reservation for the Willamette, Umpqua &ogue Rivers Tribes for the months of March, April, May & June and the reports of Alden P. Steel Physician at the coast station mouth of Salmon on Ne-chesna River in said Reservation for the coast Tribes, for the months of July & August -

From these reports you will be able to judge of the diseases peculiar to that people and the mode of treatment practiced among them
