

Office Superintendent Indian Affairs
Dayton O 9 Jan'y, 1854

Sir

I herewith submit my quarterly return of qualifications, and manner in which each employe within this Superintendency so far as known to me, has discharged his duties for the ending 31st December 1853.

Samuel D Calver Indian Agent. Assigned to Rogers River Agency District. Is regard as an efficient and competent agent and has I believe thus far performed his duties faithfully.

W M Thompson Indian Agent, assigned to the Umatilla Indian Agency district. Is I think, a competent and efficient agent.

Sub Agent J L Parrish, who is assigned to the Sab Agency District of Willamette Valley, is a very competent and suitable person for that station.

Sub agent W W Raymond. Assigned to Astoria Sub Agency district, is believed to be an honest well meaning person, but is represented by many who claim to know him, as lacking system, and energy to fit him for that station; thus far, I have seen nothing dispraying to him as an efficient sub agent.

J M Smith Special sub agent, assigned to duty in Port orford sub agency district, is represented as being a competent and efficient sub agent.
