Mrs Emma A. Moore,  
Hayton, Or.,  
Dear Madam:

Yours of the

10<sup>th</sup> inst. was forwarded to me at Newport. My assistant at Eugene will take charge of the package you have sent to me at Eugene and keep it safely until I come.

I spoke to Prof Condon about the geological specimens to-day. He will see you about them soon. You may rest assured that you will be satisfied so far as it rests with him to make any thing good.

Your instructions regarding your father's papers will be strictly obeyed - and I trust you will some time be grateful that this interest has been taken in them.

Very truly yours - F. G. Young.
