NATIONAL RESOURCES COMMITTEE
Office of District Chairman

PACIFIC NORTHWEST REGIONAL PLANNING COMMISSION

January 3, 1936.

Mr. V. B. Stanbery, Consultant
Oregon State Planning Board
Spalding Building
Portland, Oregon

Dear Mr. Stanbery:

Sinclair A. Wilson, Chairman of our Land Resources Division, has suggested to me that his brother, Dr. Charles Wilson, is keenly interested in questions pertaining to recreation and wild life, and would be, he thinks, glad to serve on a committee of this character.

I know Dr. Wilson and feel sure of his activity and effectiveness. It is a family trait.

Very truly yours,

(signed) Marshall N. Dana
