Subject: Stream improvement in national forests.
WP 489-(3)-A

Dear Mr. Buck:

Thank you kindly for your letter of May 23d.
We will be glad to withhold further distribution of the reports sent you as requested. We will appreciate your advice when a final clearance is given by the Commissioner of Fisheries.

I felt these reports would be of considerable value to county courts and county planning commissions in that they would furnish them with an outline for procedure regarding the treatment of this subject in streams outside the forests. I realize this is a highly technical matter and would require that class of supervision.

A copy of this letter is being sent to each person to whom these reports were given.

Sincerely yours,

V. B. Stanbery
