

Conservation Week

in the
State of Oregon

March 20-26, 1938

"As a people we have the right and the duty . . .
to protect ourselves and our children against
the wasteful development of our national re-
sources whether that waste is caused by the
actual destruction of such resources or by mak-
ing them impossible of development hereafter."
—Theodore Roosevelt.

Sponsored by
The Portland Garden Club
Member of The Garden Club of America
and
The Federated Garden Clubs of Oregon
